**ORDER:**

In the 1st read above, the Director of Employment & Training, Andhra Pradesh, Vijayawada has requested the Government to accord permission to integrate offline services of Employment Exchanges to online services through web application and administrative permission to initiate the work with the available funds with the department in view of the instructions of the DGE authorities to integrate the data with the NCS portal. Accordingly, the Govt. in the 2nd read above, accorded permission to the DE&T to integrate offline services of Employment Exchanges to online services through web application and also accord administrative permission to initiate the work with the available funds with the department.

2. The Director of Employment & Training in the 3rd read above has stated that the website " https://employment.ap.gov.in " launched on 08.01.2024 by Hon'ble Minister for Skill Development for public access and the web based services to the jobseekers are rendering in a successful manner. Further, the Government expressed that the website should be able to give crucial analytics with regular updates for optimal functionality and instructed to update the developed web application as per present needs for more sophisticated usage.

3. The Director of Employment & Training has further stated that for the said reasons need to develop additional modules in support to the developed web application viz.,

1. Sponsorship Module :

To provide the lists of eligible job seekers to the employers as per their requisition under the provisions of Employment Exchanges

(Compulsory Notification of Vacancies) Act,1959).

2. Employment Market Information (EMI) Module :

To maintain the District/state wide Employers (Public and Private sectors) data duly facilitating them online for submission of mandatory returns and requisitions of the vacancies

3. Vocational Guidance Module:

To provide information about the Vocational Guidance/ Career Guidance/ Career Upgradation programmes and institutions/ Skill Orientation, Skill enhancement trainings and their accessibility to the students and job seekers.

4. MIS reports with data analytics.

4. The Director of Employment and Training has further stated that at present attending the above services in offline mode and to facilitate ease services in the present context the development of online mode is needed to enrich all the services through online mode.

5. The Director of Employment and Training has further stated that and as per the guidelines of the IT&C department A. P. regarding development and IT related issues , the DE&T, AP, Vijayawada EoI has been called from APTS empanelled eligible agencies for the development of the above sub modules in support to the developed web application. Out of the (3) empanelled agencies which submitted EOIs, M/s. Beulah Software Solutions, Jayaprakash nagar, Vijayawada identified as L1 bidder. During the discussions held with the Director of Employment and Training with the agencies/bidders, the L1 agreed to execute project for Rs.3,00,000/- excluding GST, Security Audit, AMC etc.

6. The Director of Employment and Training has requested to permission may kindly be accorded to Develop above sub modules in support to the developed online web application and administrative permission may kindly be accorded to initiate the work with the available funds with the department in view of the exigencies of integration of the data with NCS portal.

7. After careful examination of the matter, Government hereby accord permission to the Director of Employment and Training, Andhra Pradesh, Vijayawada to Develop above sub modules mentioned in 3rd para above in support to the developed online web application and also accord administrative permission to initiate the work with the available funds with the department in view of the exigencies of integration of the data with NCS portal.

8. The Director of Employment and Training shall take necessary action accordingly and report compliance.
